Most of us lead busy lives and occasionally we lock our keys in the car, get a flat battery, or experience an unfortunate breakdown on the road. We've been helping Territorians get back on the road for over 50 years, so it's comforting to know we're only a phone call away.

These days, you often need more than just roadside assistance. AANT has a range of great motoring, travel, retail and insurance savings for our members as well.

AANT's Premium Membership package is designed to suit individual needs, no matter what car you're driving.
